PROPOSED ARTIFACT DONATION

Thank you for your interest in donating an artifact to the Tahoe Maritime Museum. If you have a vessel, object, photograph or document that you believe would complement our collection, we invite you to fill out and submit this form. Doing so in no way obligates you to make the donation, but provides important information for us to be able to assess the relevance of a donation to our mission and to our existing collection.

Please note that because the Tahoe Maritime Museum is dedicated to the highest standards of historic preservation yet has limited facilities to house its collection, not all artifacts can be accepted. As a consequence, the Museum cannot accept nor be responsible for any artifact left in the custody of Museum personnel or on Museum premises without explicit written approval by the Executive Director. Additionally, please note that the Museum generally does not accept loans or conditions placed on the display or disposition of artifacts.

Please send the completed form to the Tahoe Maritime Museum, P.O. Box 627, Homewood, CA 96141.
